Effective Date: June 19, 2026

This Cookie Policy explains how Funk Beat School of Music uses cookies and similar tracking technologies on our website to ensure a smooth and personalized user experience.

## 1. What Are Cookies?

Cookies are small text files placed on your device (computer, tablet, or mobile) when you visit a website. They help the website recognize your device and store preferences or past actions.

## 2. How We Use Cookies

We use cookies to keep our website running effectively and to understand how visitors interact with our content. Specifically, we use them for:

- **Essential Cookies:** These are strictly necessary for the website to function, such as keeping you logged into your student portal or remembering your billing details during checkout.
- **Performance & Analytics Cookies:** These help us track which pages are visited most often and see if users run into any errors. This data is anonymous and helps us keep our online services up to the mark.
- **Preference Cookies:** These allow our website to remember choices you make (such as your preferred language or region) to provide a more tailored experience.

## 3. Managing Your Cookie Preferences

You have the right to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser settings to decline them if you prefer.

**Please Note:** If you choose to disable cookies, some areas of the Funk Beat School of Music website (like the student enrollment portal or payment pages) may not function correctly.

#### **4. Updates to This Policy**

We may update our Privacy and Cookie policies from time to time to reflect changes in our practices or for legal reasons. Any updates will be posted on this page with a revised effective date.
